3. Fill up the details as required in the page. Create a user name and password (that you can remember and keep a note). This will be required in case you want to retrieve the details already filled or status of application later. After filling up details, click “Register”.

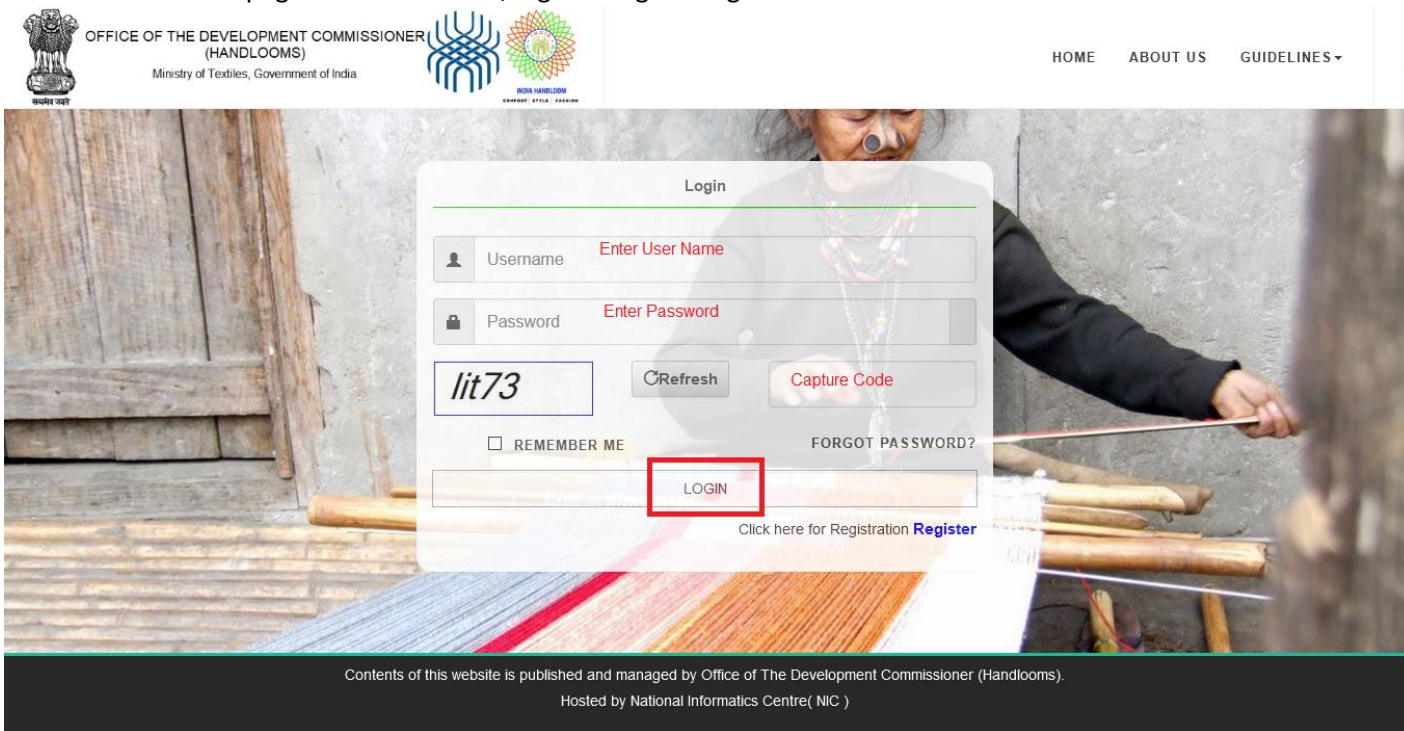

The screenshot shows the registration form on the website. The form is titled "Organization Details" and "Details of organization head". It includes fields for "Organization Name", "Organization Address", "Organization Phone", "Organization Email", "Designation", "First Name", "Middle Name", "Last Name", "Gender", "Mobile Number/Landline Number", "Email-id", "Username", and "Password". A red box highlights the "REGISTER" button at the bottom of the form. The background of the form is a blurred image of a person working with wood.

4. Account creation message will appear, on successful registration. Shown below. Click “Login” on the same window using your registered user name and password.

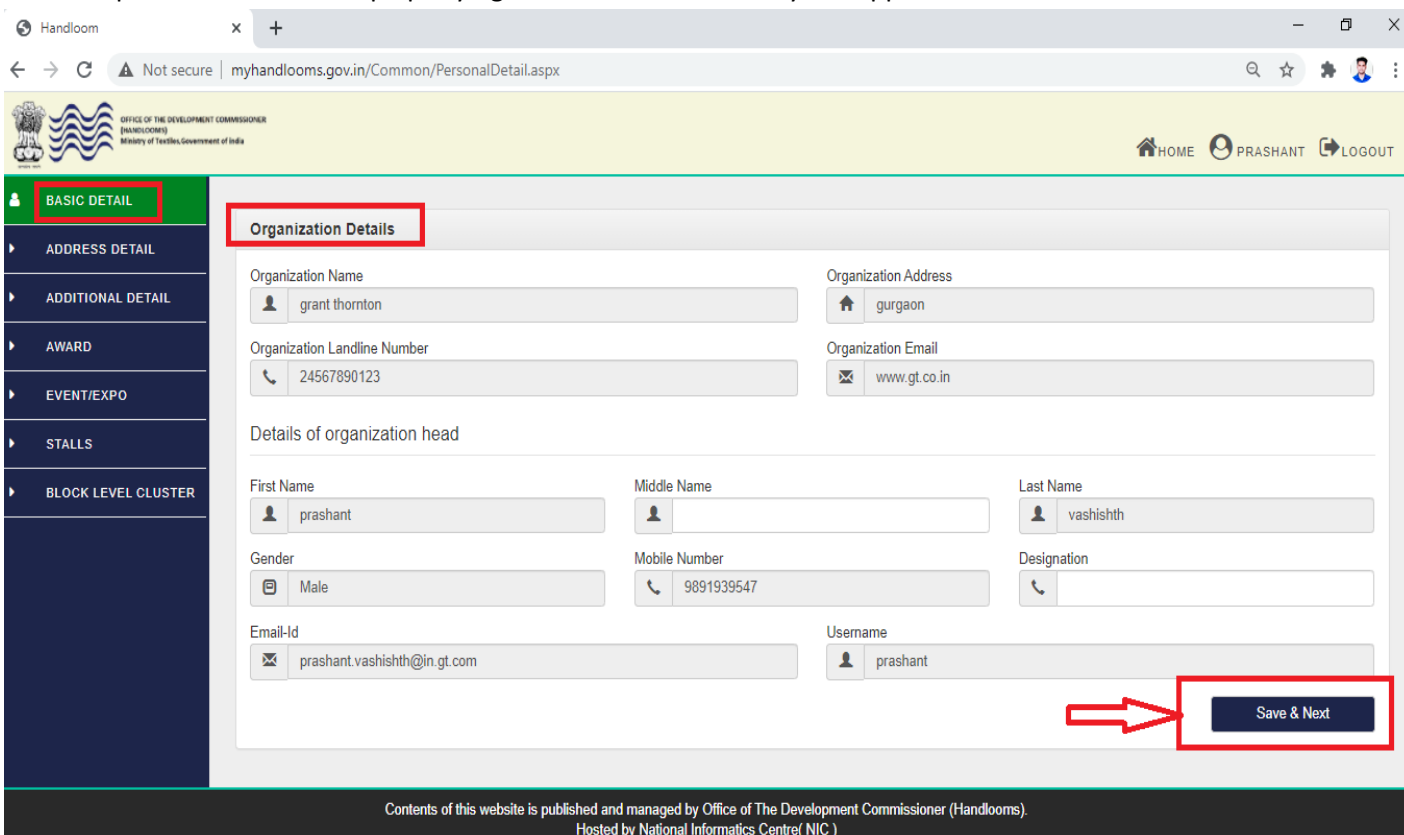

Instruction for Filling Basic Organization Details.

1. On the home page as shown below, log in using the registered user id and Password.

2. On successful login, you will be directed to "Basic Detail as shown below: Fill in the details as required and submit. Pop up saying "Data saved successfully will appear. Click "OK".

3. Now Click “Address Details”. Now enter the data as required on the page as shown below.
